

REMARKS

Claim 40 is amended. Claims 21-40, as amended, remain in the application. No new matter is added by the amendments to the claims.

Applicants' Response:

Applicants thank the Examiner for the allowance of Claims 21-39. Applicants amended Claim 40 to include the limitations of allowed Claim 21.

In view of the amendments to the claims, Applicants believe that the claims of record now define patentable subject matter over the art of record. Accordingly, an early Notice of Allowance is respectfully requested.
